

Instructor Training

Our train-the-trainer programs allow you to become a Red Cross instructor and train others to save lives. To become an instructor you must first complete an Authorized Provider Agreement or have your name added to an existing agreement. This agreement must be completed prior to registering for instructor training. You can reach Customer Service at customerservice@arcatl.org or by calling 404-876-3302 Option 3 to start this process.

Our new Instructor course has been updated to the newest Emergency Cardiac Care 2010 guidelines. It includes both online and classroom components with an emphasis on teaching and evaluating lifesaving skills. These classes are all offered at our Midtown office located on 1955 Monroe Dr NE, Atlanta, GA 30324. For your convenience we have scheduled a Standard First Aid with CPR/AED-Adult and Child and CPR-Infant the day before the Instructor training. You can enroll in both the basic level and the instructor training classes, or just the instructor if you have a current certification.

Metropolitan Atlanta Instructor Course Schedule 2011
